

GRECIAN GODDESS

Sani Resort proves you can mix family and luxury

With renovation work finally complete, everything is gleaming at the Sani Beach Hotel. Rooms provide a fabulous choice of accommodation, including the new beach-front family suites, available with one or two bedrooms, are the most spacious the hotel offers – with up to 105 sq/m and direct access to the beach.

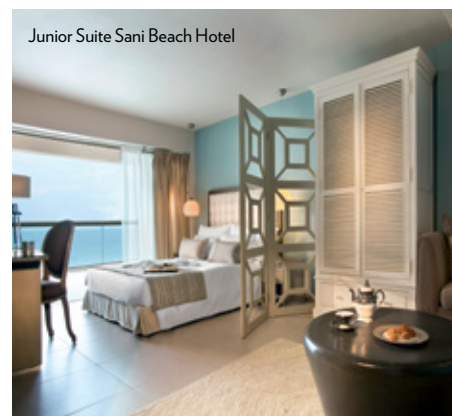

The beautiful Porto Sani Village has been revamped with subtle fabrics and sophisticated furnishings in soothing neutrals. Luxury mattresses and wide umbrellas on all sun beds provide welcome respite from the legendary Greek sun. The latest addition to the Porto Sani Village dining portfolio is Byblos Caviar where guests can sample the world's finest caviars served in both traditional and innovative ways.

Junior Suite Sani Beach Hotel

For foodies, there's exciting new 'live-cooking' stations at the Veranda restaurant, or mouth-watering dishes at Grill by the Pool. For the finest Greek and international cuisine, try Ammos restaurant, all included in the Dine Around programme, which also includes breakfast. Spend the day floating in the

new infinity pool – best enjoyed at night for sunset views – but, if you prefer, try the nearby Sani Hill beach, a pleasant stroll along the waterfront.

SANI MARINA

Shoppers should head to Sani Marina, which has a brand new Diesel store. Get your seaweed fix at the new sushi bar or try something a little stronger at wooden-decked Sea You bar.

SANI FESTIVAL

The highlight of the arts calendar, the Sani Festival 2014 will be an extravaganza of music and dance.

READER OFFER

Up to 20% off and complimentary airport transfers for online bookings during September and October.

FAMILY SANI

Family activities needn't be predictable. Bake bread in the kitchen with our family cooking lessons for adults and children or get them to prove their sporting credentials in the Mini Triathlon around the Sani grounds. There's paddle-board yoga and baby swimming lessons, Latin dance parties, bird watching and eco activities for the green-minded. Go to the nearby farm or try your hand at olive harvesting.
