

Sani Asterias Suites, Greece

Under the watchful eyes of the gods of Mount Olympus, this 50-suite boutique hotel on the Greek mainland is part of the Sani resort (which includes several hotels). Sani Asterias Suites offers three room options – all are gorgeous. Choose a suite with walk-in wardrobes, two bathrooms and a view of the private beach, or one the size of an apartment overlooking the marina. Split your time between the private beach and the adults-only pool, or head to the spa for soothing massages and reviving facials. Take advantage of the resort setting to try the various bars and restaurants around the marina. For a once-in-a-lifetime experience, charter a yacht and captain, and sail up the coastline.

WOW FACTOR Sunbeds are plentiful and reserved – no rising at dawn to bag a lounge.

FLIGHT TIME From three hours 20 minutes to Thessaloniki.

GO ITC Classics (01244 355527; itcclassics.co.uk) offers seven nights B&B in a Junior Suite Marina-Front from £925 per person, including British Airways flights and transfers.
