Sani Academies

Welcome To Sani Academies

The experiences of a lifetime, during your stay at Sani

The Sani Academies collection provides children and adults with exquisite adventures and the opportunity to acquire new skills, all within the beautiful grounds of the resort. As a luxury destination, Sani resort has naturally ensured that each of these academies is run by leading experts in the field, supported by experienced coaches and instructors.

Within this safe environment our young guests learn and play with the best-of-the-best; acquiring the technical knowledge and physical skills taught to their idols.

Sani Scuba Diving Academy

Certified by PADI

Diving experiences for all levels at the Sani Resort Scuba Diving Academy - including globally-recognized PADI courses.

Whether trying scuba for the first time or an experienced diving enthusiast, the Sea World Diving Centre at Sani Beach has something for you. With professional equipment and certified PADI instructors, there's a wide selection of under-water excursions to enjoy, including a visit to a shipwreck.

Our centre is a PADI authorized 5 Star IDC Gold Palm Resort, supported by DAN (Dive Alert Network) EUROPE, which follows recognised programmes and training methods leading to internationally recognised PADI certification. Courses include introductory lessons, options for children and advanced courses such as deep, multilevel, wreck and night diving.
