Sani Academies

Welcome To Sani Academies

The experiences of a lifetime, during your stay at Sani

The Sani Academies collection provides children and adults with exquisite adventures and the opportunity to acquire new skills, all within the beautiful grounds of the resort. As a luxury destination, Sani resort has naturally ensured that each of these academies is run by leading experts in the field, supported by experienced coaches and instructors.

Within this safe environment our young guests learn and play with the best-of-the-best; acquiring the technical knowledge and physical skills taught to their idols.

Sani Bike Academy

Offering a collection of professional bikes, the Sani Biking academy invites you to join a tour or organised lessons and sessions during your stay. With certified instructors, a wide selection of bikes and acres to explore, this is bespoke fun for the whole family. A unique cycling experience with tour options and fun extras, like Go-Pro action cameras to take with you and photos taken of your experience. Sani is the perfect place to go cycling, our bikes can be used anywhere and by all ages.

Bikes can be rented by the hour, day or week with lessons, available for adults and children. Couples can head off together on a romantic picnic tour with a packed lunch and family excursions await.
