

### Best for families: **Greece**

The Sani Resort is the collective name for four hotels set in coastal pine forest at Halkidiki. Best bet for families is the Sani Beach Club, which provides Aegean bliss with water sports, a smart spa and a trio of restaurants. The resort also operates an admirably green programme, from bird-tagging in the wetlands that neighbour its own 1,200 acres to using recycled water to keep its gardens green.

● *Seven nights' half-board for a family of four costs from £2,149, including flights and private transfers, with ITC Classics ([itcclassics.co.uk](http://itcclassics.co.uk)). Or book independently at [sani-resort.com](http://sani-resort.com)*
